

ASTROLOGY FOR FEBRUARY

This is your at-a-glance guide to the prevailing astrological conditions that we'll experience during the coming month of FEBRUARY.

This month the sun is mainly in AQUARIUS.

The overarching energy is on humanitarianism, eccentricity and independence. On the 18th February the sun moves to PISCES and the prevailing energies will shift to compassion, imagination, and intuition.

Mercury

This month Mercury starts in AQUARIUS and then moves into PISCES on 20th. Our communication will therefore be influenced by the following traits; Aquarius - intellectual, eccentric and off-the-wall. Pisces - compassionate, kind, emotional. Mercury retrograde begins this month: Feb 26th to Mar 20th.

Mars

This month Mars remains in AQUARIUS for the remainder of the month. Our desire-nature and our will to action will therefore be influenced by the following traits; Aquarius - Humanitarian, independent, eccentric.

Venus

This month Venus remains in AQUARIUS until 10th when it will begin its transit of PISCES. Our love and relationships will therefore be influenced by the following traits: Aquarius - independence, love for all mankind, quirkiness. Pisces - compassion, emotion, and imagination.

Saturn

This month Saturn ends its retrograde back to PISCES, and on 13th transits back to ARIES where it will remain until April 2028. Our karma, lesson integration and will therefore be influenced by the following traits; Pisces - intuition, empathy, dreaminess. Aries - ambition, boldness, confidence.

These 'generational' planets don't transit much! Here's where they are now:

Jupiter
I manifest

CANCER
Until October 2026
To nurture
Emotionally
With humour

Uranus
I evolve

TAURUS
Until April 2026
Patiently
Sensually
Dependably

Neptune
I dream

ARIES
Until March 2039
With drive,
courage and
energy.

Moon

Full Moon in Leo on 1st February
New Moon in Aquarius on 17th February

The Moon transits every sign for 2-3 days each month, influencing our emotional energies: see the WhatsApp group for updates.

OTHER NOTABLE EVENTS....

Uranus, Jupiter and Mercury (starts 26th) are in Retrograde this month. Uranus RX ends on 4th. There is a Solar eclipse on 16th Feb, fortuitous for new beginnings.

There is a Mercury Cazimi on 11th Feb when the sun is at the 'heart' of Mercury signifying a favourable time for clarity in communication. .
